PROFILE SUMMARY

Creative and Technical Savvy Front-End Developer adept at blending the art of design with the skills of programming to deliver an immersive and engaging user experience through efficient web development, proactive feature optimization, and relentless debugging. Proficient with HTML, CSS, and Javascript, with extensive knowledge of UI Designing and understanding user psychology. Contributing to a highly collaborative work environment, finding a solution, and determining customer satisfaction by designing and building responsive web designs. Aspiring to combine strong technical skills with a passion for aesthetics and UI design to excel as a Front-End Developer.

CORE COMPETENCIES

HTML/CSS

JavaScript/jQuery

Vue.js

Python

Testing & Debugging

Web Performance Monitoring

Responsive Design

Git/GitHub

Time Management

Excellent Communication

Enjoy taking on complex & challenging tasks. Love bringing designs to life.

Willingness to innovate and learn new technologies. Passionate about development.

Strong time management skills, prioritization abilities, and solve issues efficiently.

In-depth knowledge of version control systems like Git.

PROFESSIONAL EXPERIENCE

SOFTWARE ENGINEER | May 2021 – Present

GIG.TECH

- Collaborating with other team members to fix bugs and add new features using various technologies such as Vue.js, Python, MongoDB, and Docker
- Working closely with version control systems using Git and Gitlab, and using Gitlab CI to create nightly UI tests
- Creating and maintaining UI tests using Testproject

UI DEVELOPER | July 2020 – May 2021

Tasawk

- Identifying innovative ideas and proof of concepts according to project requirements. Collaborating with the team on implementing new features and UX in an Agile environment.
- Developing working prototypes from UI designs for cross-platform devices.
- Exploring various emerging technologies such as PHP and OpenCart.
- Prioritized and managed multiple tasks across multiple projects under tight deadlines, identified the scope of improvements and ensured on-time delivery of projects.

FRONT-END DEVELOPER | Nov 2019 - Feb 2020

Erada For Web Souolutions

- Executed and contributed to full-stack web development projects, with an emphasis on front-end features, browser manipulation, and cross-browser compatibility.
- Produced stunning visual elements by translating UI/UX design wireframes into code while producing high-quality, reusable markup using HTML5 and CSS3.

TECHNICAL SKILLS

- HTML
- CSS
- SCSS
- JavaScript
- MongoDB
- Vue.js
- Python
- Git
- Node.js
- Selenium

EDUCATION & CREDENTIALS

- Computer Science diploma from Cairo university
- Cs50 Introduction to Computer Science
- Full-stack web development Bootcamp from Creativoo | April 2019 - Sept 2019
- JavaScript Algorithms and Data Structures Masterclass
- JavaScript: Understanding the Weird Parts
- Vue mastery Path
- Pluralsight courses
- Frontend Masters courses
